

Conference Cancellation Policy 2026

Cancellations of conference registration by May 22, 2026 will be subject to a processing fee of 50% of the total cost. After May 22nd, 2026, we are unable to issue refunds since we will not be able to recoup most expenses (such as catering).

Registrations may be transferred to another person without an administration fee up to June 15th, 2026. The recipient of a transfer may owe a balance if their registration is more expensive than the original amount paid (e.g. transfer from a member to a non-member), but no refund will be given if the transfer recipient opts for a less expensive registration option (e.g. registration with workshops transferred to an individual not participating in workshops). Association memberships are non-refundable and non-transferrable.

In the event of cancellation due to an emergency, please submit your request in writing via administrator@ceea-aceg.ca no later than June 30, 2026. Refunds will be granted on a case-by-case basis.

Cancellation of the Conference: If the conference cannot be held or is postponed due to events beyond the control of the conference organizers (force majeure) or due to events which are not attributable to wrongful intent or gross negligence of the conference organizers, then conference organizers cannot be held liable by attendees for any damages, costs, or losses incurred, such as transportation, accommodations, etc. Under these circumstances, the conference organizers reserve the right to either retain the entire registration fee and to use it for a future conference or to reimburse the attendee after deducting costs already incurred for the organization of the conference and which could not be recovered from third parties.
